

National Taichung University of Science and Technology Department of Computer Science and Information Engineering (including graduate program) Recruitment Announcement for Full-Time Faculty Positions

1. Position Titles: Full-time Assistant Professor or Associate Professor
2. Vacancies: 2 positions
3. Start Date: August 1, 2025
4. Required Qualifications:
 - (1) Applicants must hold a doctoral degree in computer science, communications, or electrical engineering from a university recognized by the Ministry of Education. A minimum of one year of industry experience relevant to the teaching field is required. (Refer to the "Technical and Vocational Education Act" for details.)
 - (2) Applicants with experience in executing industry-academia projects and promoting off-campus internships must provide supporting documents.
 - (3) Proficiency in delivering courses in English is preferred; relevant documentation is required.
 - (4) Applicants must have published at least two papers in significant international journals (SCI/SCIE) within the last five years, with at least one as the first or corresponding author. A publication list and copies of papers must be submitted.
 - (5) Newly hired faculty members are required to assist with department-related work for two years in addition to teaching.
5. Preferred Qualifications:
 - (1) Expertise in the following fields is highly desirable:
 - I. Advanced network communication technologies (5G/6G), edge computing, cloud computing, etc.
 - II. Embedded systems, multimedia systems, and robotic systems.
 - III. Big data analytics, artificial intelligence, machine learning, and deep learning.
 - IV. Software engineering, software-defined networking, mobile application design and development.
 - V. Network security, information security, system security, and cybersecurity.
 - (2) Proven excellence in executing projects funded by the National Science and Technology Council (formerly the Ministry of Science and Technology) or other government agencies.
 - (3) Experience in guiding students to obtain certifications directly related to the information industry.
 - (4) Proven success in coaching students to participate in prestigious information technology competitions and winning awards.
 - (5) Possession of a teaching certificate at the rank of Assistant Professor or higher is preferred.
6. Required Documents:
 - (1) Application form (Download link: <https://person.nutc.edu.tw/p/405-1033-1206,c178.php>). Submit the completed form electronically to csie10@nutc.edu.tw, along with a personal information consent form, declaration form, and application checklist.
 - (2) Curriculum vitae (including educational background, work experience, courses that can be taught, research interests, publication list, and autobiography).
 - (3) Copies of educational qualifications (bachelor's degree or higher). Degrees obtained abroad must

be verified by Taiwan's representative offices.

- (4) Proof of employment (e.g., labor insurance or employment certificates).
- (5) Copy of teaching certificate (Assistant Professor or higher), if applicable.
- (6) Research achievements and publication list from the past five years, with at least three full-text papers (including SCI/SCIE publications).
- (7) Two letters of recommendation, preferably including one from the applicant's doctoral advisor.
- (8) Academic transcripts for bachelor's, master's, and doctoral programs.
- (9) Additional documents such as patents, project achievements, and awards.
- (10) Personal information consent form.
- (11) Declaration form.

7. Additional Notes:

- (1) Application deadline: February 28, 2025 (based on postmark date). Send all required documents by registered mail to:

- Department of Computer Science and Information Engineering
- National Taichung University of Science and Technology
- No. 129, Section 3, Sanmin Road, North District, Taichung City 404348, Taiwan.
- ***[Indicate on the envelope: Application for Full-Time Faculty Position in the Department of Computer Science and Information Engineering]***

- (2) Incomplete applications will not be processed.
- (3) Applicants passing the preliminary review will be notified for an interview. Unsuccessful applicants will not be notified.
- (4) If applicants wish to have their application materials returned, they must include a self-addressed envelope with sufficient postage.
